Please describe your qualifications for serving on Board/Commission/Committee: As a 20 year resident of Old Town I was surprised to learn that we were not represented on the Planning and Zoning Commission. I was encouraged to apply by several members of the community because of my long time commitment to my neighborhood and the valley we live in. As an anthropologist I know that a sustainable community is a well balanced combination of private, public and commercial interests.

List any community service organizations or projects you have been involved with (include a brief description of activities):
